Setting Up a USER ID

Before you can access a device, a **USER ID** must be in place. Visit https://webadvantage.online or access the registration form with the QR code below. Choose **Create Account.**

After completing forms, click **SAVE** to submit.

Notes:
- • **Please allow up to 24 hours for processing.**
- • E-mail address will be your USER ID.
- • Forgot Password option available.

Setting Up / Accessing a Device

Note: USER ID and Company Info are required before you can access a device. *See USER ID steps at left.*

If you are not a part of a company already registered with WebAdv, please contact us at (918) 686-6211, via e-mail support@advantagecontrols.com, or contact your account manager for device access. Access the WebAdvantage page at https://webadvantage.online or with the QR code on the left.

Note: Only Company Administrators can add devices.

Choose **Administration** at top of page. Then select **Manage Devices**. Enter serial number and device name. Remaining fields are optional. Click **SAVE** to submit.

Please allow up to 24 hours for processing.
