LEARNING TO SAVE LIVES AT CHAMBER UNIVERSITY

Feb. 17th

With training from Muskogee County EMS, Advantage team members Jennifer Goodson, Morgan Knott, Kyle Martin, and Alex Parris learned how to administer adult & infant CPR and AED. Muskogee County EMS offers similar training to local businesses and community organizations such as the Greater Muskogee Area Chamber of Commerce.

RO DIVISION CHANGES

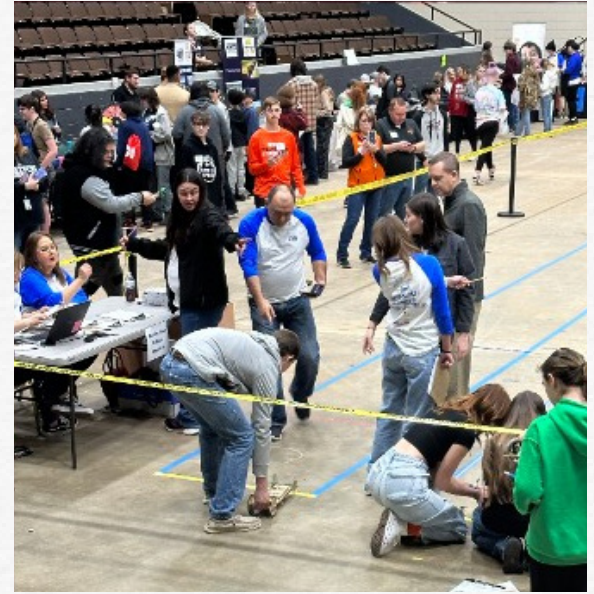

Dec. 5th

JT Waller was recently promoted to sales manager of our reverse osmosis division. JT started with us 8 years ago and has been a valued member of the customer service team for the last 6 years. He is working closely with Jason Asbill, our outgoing RO division manager, to ensure a smooth transition.

“JT already has a working knowledge of our RO controls equipment and the needs of our customers,” says Jon Shaw, our national sales manager. “We’re excited to see him excel in his new role.”

Advantage's warehouse move is nearly complete. Winston Sallee, Dustin Frazier, and their team have been taking time from their schedules to help consolidate our warehouse into Building B.

Feb. 9th

The Muskogee Education Consortium held its 16th annual Math and Engineering Design Competition. Advantage Controls team members Dustin Moore, Todd Thomas, and Bruce Heller represented the company at an informational booth, allowing students to visit and learn more about engineering-related opportunities available in the local area.

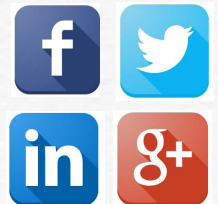

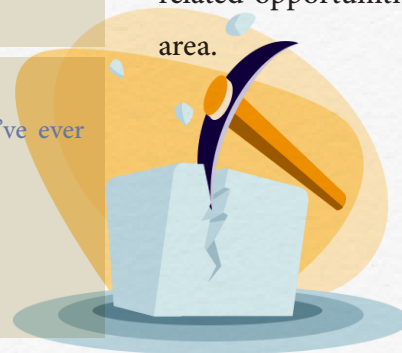

ICEBREAKERS
Get to know your team members!

ISABELLA DOVER Marketing Intern, Building B
Are you an early bird, night owl, neither, or both? Night owl for sure.
Do you have a favorite book? Too many good ones, but I really enjoy the Star Wars and Halo book series.
If you could master a new skill overnight, what would it be? Playing the piano.

LISA ROHDE Final Test, Building A
What's the best piece of advice you've ever been given? "Always be humble."
Beverage of choice? Wine.
