## Team Member Icebreaker!

### **Colton Pen McKinney**

is now in the Stockroom as Winston Sallee moves to the Returns dept.

What is an article of clothing that someone could wear that would make you walk out on a date with them?

**Mismatched socks... unless they have cartoon characters on them.**

If you could add anyone to Mount Rushmore, who would it be?

**Marsha P. Johnson. She was one of the most prominent figures of the Gay Rights Movement in the 1960's. She was a black trans woman who played an important role in the Stonewall Riot of 1969.**

What is your favorite time of the day?

**2:30 PM. Break from work, and the perfect time to take a nap on Sundays.**

**Christalynn Green** is one of our newest team members and works in the MegaTrons dept.

What's your favorite holiday or tradition?

**My favorite holiday is Christmas, or any summer holidays that I'm off for, so I can**

**spend all day out on the lake.**

**My favorite tradition is one my siblings and I started, where we pass down our sports senior banners to whichever sibling is younger than us. When my sister graduated, I hung her senior banner up in my room, and when I graduated next, my oldest brother hung my banner in his room. When he graduates, my sister will get his since he's the youngest and it will go back to the oldest; that way none of us have our own banners. But we said no matter where any of us are living, the banners have to be hung up somewhere in our individual houses.**

What is your favorite food(s)?

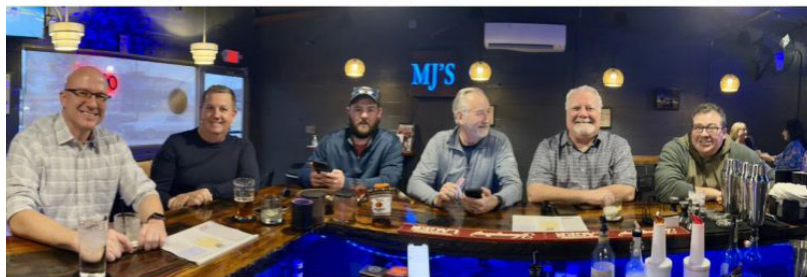

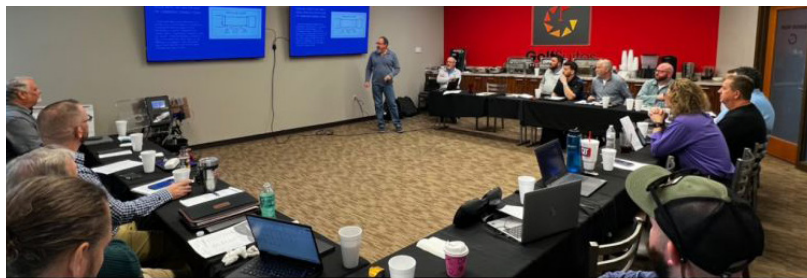

**Chicken, brisket, and double cheeseburgers.**

Do you have a bucket list, and have you completed anything on it?

**Mainly just traveling. I've been to most of the 50 states, but I want to go out of the country. I haven't done that yet, but my family and I are going on a cruise next year, so I'll be able to then!**
